

# APPLE TREE

© Myles Bing 1997

God made the apple tree  
And God made me  
God made the bumble-bee  
And God made me  
God made the tiny flea  
And God made me  
Oh, I'm so glad that God made me!

God made the elephant  
He made the kangaroo  
He made the big baboon as well  
And he made you  
God created everything  
And then made you  
Oh, I'm so glad that God made you!
