

# **JESUS... YOU'RE THE BEST!**

© Myles Bing 1997

Jesus, you're the best thing  
That's happened to me  
Good, better, best thing  
That's happened to me

Jesus, you're the best  
Forget about the rest  
Jesus, you're the best thing  
That's happened to me

Oh ----- it's so good to know You  
I just want to show You  
All the praise in my heart

Oh ----- it's so good to know You  
I just want to show You  
All the love in my heart
