

ON EVERY BLADE OF GRASS

© Myles Bing 1997

On every blade of grass
And every leaf of every tree
My God has written everyday
A message just for me
I know how much He loves me
'Cause when I look around
I see His hand in all things
Every sight and every sound

Oh, oh, the mountains and the sea
Oh, oh, He made it just for me
Oh, oh, the heavens and the earth
Oh, oh, declare how much He's worth
