

RAINY DAY SONG

© Myles Bing 1997

It's cold and it's rainy
But the sun's still shining
Sun's still shining,
The sun's still shining
It's cold and it's rainy
But the sun's still shining
'Cause Jesus lives in me

There's thunder and there's lightning
But the sun's still shining
Sun's still shining,
The sun's still shining
There's thunder and there's lightning
But the sun's still shining
'Cause Jesus lives in me
