

YOUR WONDERFUL CREATION

© Myles Bing 1997

If I could hop like a young kangaroo
If I could buzz like a bumb-a-ling bee
If I could swim like a fish in the sea
How amazing that would be!

If I could stomp like a big elephant
If I could fly like a bird in the sky
If I could swing like a chimp in a tree
How amazing that would be!

Your wonderful Creation
Is here for me to see
How wonderful You are, Lord
And Your great love for me
Your wonderful Creation
Surrounds me everyday
How wonderful You are, Lord
Your love in every way!
