

# YOU'RE MY EVERYTHING

© Myles Bing 1998

You're my everything, everywhere,  
Anywhere, kind of God  
You're my anything, anytime,  
Always, kind of God

When I'm sad and feeling down  
You pick me up  
When I've fallen to the ground  
You fix me up  
When I'm lonely and I'm lost  
You light my way  
When I don't know what to do  
I turn to You and pray
