

FEELS SO GOOD © Myles Bing 2000

It feels so good
To praise Your Name
It feels so good
To praise You Lord

I'm gonna clap my hands
I'm gonna clap my hands
I'm gonna clap my hands
And praise Your Name

I'm gonna dance and sing
As an offering
I'm gonna dance and sing
And praise Your Name

I'll jump up and down
And I'll spin around
I'll jump up and down
And praise Your Name
